(Fee applied for each physical card purchased) \$_____

Per Transaction

(Fee applied for each transaction) \$_____

*Location retains 100% of online gift card sales and fees.

Shipping Options:

The gift card will sometimes need to be shipped to the customer. In order to charge the customer a shipping fee at the time of purchase, you will need to pre-configure the settings for cost of shipping and the shipping method.

Another thing to consider is the shipping item name for reports. This can be set as a new item.

New Item for shipping fee:

Item Name	
Category	

Physical Card Shipping Configuration:

UPS Yes No If Yes, Shipping Fee Amount \$_____

Fed Ex Yes No If Yes, Shipping Fee Amount \$_____

USPS Yes No If Yes, Shipping Fee Amount \$_____
